PROGRAMME

The programme for the evening has been attached to your email on Tuesday but is also available to download on the website.

FREE ENTRY

Entry for friends and family is free but is unreserved seating so please do arrive in good time to guarantee a seat.

PLEASE BRING CASH

There is a raffle on the evening, as well as a bar, but these both require cash so please do prepare for this.

INSTRUMENT STORAGE

Instrument cases are to be stored in the rectory. Training band parents can keep cases with them if they would prefer, but please be aware that space in the seating areas can be limited.

PHOTOGRAPHS

Although photographs are allowed throughout the evening, we politely request no flash photography and that photographs are taken from your seat so as to not distract the performers or block fire exits. High resolution photographs will be taken throughout the evening and will be available for you to download free of charge after the evening.
